Foreword

School Song

WEST EDGECOMBE SCHOOL

West Edgecombe School, we give thee praise,
For knowledge gained within your walls,
For many happy golden days,
And memories we will e'er recall.

Hail to thee! Where ever we may roam,
We'll sing thy praises, West Edgecombe.

Dear school, the dearest in the land,
How very proud we are to be
Assembled in that happy band
Who make up your history.

Hail to thee! Where ever we may roam.
We'll sing thy praises, West Edgecombe.

West Edgecombe School, long may your name
Rank with those that are the best,
And may we all add to your fame
As our own loving bequest.

Hail to thee! Where ever we may roam.
We'll sing thy praises, West Edgecombe.

Dedication

MISS BEULAH BRAKE

To her we owe many heartfelt "Thank yous." The time she has devoted to us has brought us developments and achievements which would not have been possible without her aid. Whenever we called upon her, we could be assured of her willing assistance until the task was finished. In this small way we would like her to know we appreciate all that she has done for us. Therefore we, the Senior Class, respectfully dedicate the 1967 Wescomb to Miss Beulah Brake.

MRS. MARION GORHAM

She has dedicated her life in the training of young people. She has given untiringly of her efforts to lay a foundation upon which our higher education has been built. Her guidance during our earlier years has greatly influenced not only our academic life, but also our moral and social activities. Therefore, in appreciation for her interest and sincerity, the Senior Class respectfully dedicate the 1967 Wescomb.

Administration

Principal

MR. ROBERT M. CASHWELL

The main objectives of West Edgecombe School are to impart knowledge, to build character, and to lay a foundation for the future. Today life offers so many challenges and opportunities. To enjoy these opportunities, you must work, have patience, and face problems squarely and promptly. You must think positively and clearly about all things and about all peoples. We at West Edgecombe hope we have given you these principles on which you can become useful, productive, and happy citizens.

Boy I bet you're really glad to get rid of Wayne M. and me. I sure wish that I could have took Home Ec. I'll probably be back next year anyway.

Mrs. Brown,
Having you as a
teacher over the past few
years has truly been an
experience. I became to know you
better this year in H.E. III. And I
have really enjoyed it. I have also had
fun in F.H.A. and have learned much from
being in it. May your future years at W.E.
bring ya nothing but happiness.

Mrs. "J", Well, it's an honor to be asked to sign your annual! What is there for to me to say? It's all over now! You have helped me grow, morally, spiritually, and intellectually! I'll look back someday and be able to say it was worth it! May God bless you!

Always,
Cindy Lowe

Mrs. Brown,

I cannot begin to say how much I have appreciated your help and guidance throughout high school. You have strongly influenced both my ideas and ideals. I know you think me lazy and probably good-for-nothing, too, but, in my own fashion, I hope someday I can make you as proud to know me as I am proud to know you.

Succeeding classes will probably disappoint you as ours has, but I hope not. Don't let it get you down if they do — you aren't the reason. But please remember this advice — don't criticize what you can't understand.

I hope your future life will be happy. I'm coming back to see you sometime. Until then,

Best of luck,
Donna Moore

Mrs. Brown,

What am I going to do without you? Of course I'll miss you and that groovy F.H.A. I have really enjoyed all those dancing Challenging home ec. classes. (HA!) And I have thoroughly enjoyed working and serving for F.H.A. I feel I have benefited from my years in F.H.A. and home ec. I'll miss all these things but most of all I'll miss that cute sweet darling teacher — Mrs. J. Brown.

Bless you, Mrs. Brown, and your sweet "Uncle Milt." You both will always be remembered by me. I'll forever cherish my memories of you and F.H.A.

Love from your '67 "rec" leader

Peggy - Legion Ayers

Mrs. Brown,

After four years, I'm really going to miss you and F.H.A. It's really hard to believe that I'm finally graduating. Even though I am glad; I really hate to leave W.E. and all the wonderful times I had there. You are a very important part of those good times. I could never forget all the talks we had and all the projects we worked on together. Working with you in F.H.A. and in Home Ec. has really helped me grow as an individual. I realize that often I failed to do my best, but I do hope that what I did was alright. Thanks for letting me be an officer. It really meant a lot to me and I thoroughly enjoyed it. To tell the truth I hadn't really realized I was leaving W.E. until I stood up there Friday night and relinquished the position of President to Beth. I hated to do it!

Hope everything works out alright next year in F.H.A. You have a bunch of good Freshmen to call on and I don't think they will let you down.

Thanks again for all the things you have done for me and especially for your friendship which I will cherish forever. If you ever want me for anything just let me know. Best of luck always and may God bless your life richly.

Love ya,
Bea Mary Bradley
F.H.A. President 1966-67

P.S. Thank Mr. Brown for all the help he has given me.

Mrs. Brown,

We girls will always remember you. You are a good social asset to a group of girls. Of course, I got some good homemaking hints from your classes. I'm sure you've got a good philosophy of life to spread around.

May God bless a real nice person,

from

Ann Robbins

Mrs. Brown,

Thank you for the guidance you have given us over the years. As we look back on our high school days I'm sure we will appreciate your "fussing" at us and realize that you were doing it for our own good. I sincerely hope that you won't forget us in the years to come.

Always,

Vicky Williams
